2393 Sonora Dr.
Grove City, OH 43123

Summary:

Wright State University graduate with an ABET-accredited degree in Mechanical Engineering. Excited and looking forward to utilizing my current knowledge and to develop new business and engineering skills.

Skills:

SolidWorks, Autodesk Inventor, MS Office Suite, HTML, CSS, GitHub, Figma, Communication, Leadership, Problem Solving, Dedication, Adaptability, Creative Thinking

Professional Experience:

AGC Automotive | Senior Team Lead

SEPTEMBER 2021 - MAY 2022

- Inspire associates and material handlers on a daily basis to maintain a workplace focused on: safety, quality, and efficiency
- Work closely with production coordinator to create and implement the schedule for the day
- Managed inventory of ~\$500k for both warehouses
- Communicated with supply chain when materials are needed or cycle counted
- Train new employees on standardized work procedures
- Contributing to the production of windshields through new model introduction: prototyping, testing, documenting and presenting
- Led a team of 11 associates during first shift
- Ensured quality of finished products to meet OE and aftermarket customer's specifications
- Led engineering team including: Inspections to ensure quality of products, report defects, and take appropriate action to correct defects

AGC Automotive | Production Support

JANUARY 2021 - SEPTEMBER 2021

ABF Freight | Casual Checker

JANUARY 2019 - JANUARY 2021

- Consistently exceeds expectations for hourly productivity of loading and unloading various freight
- Reduce average freight claims by over 20% with accurate and detailed documentation while ensuring items are safe for transit
- Collaborate with team members to strategize plans for optimal loading capacity

Columbus Zoo & Aquarium | Seasonal Warehouse Associate

JUNE 2015 - AUGUST 2019

- Assisted in developing and implementing an improved warehouse layout to maximize inventory management
- Managed inventory levels and replenishment for gift shops, food plazas, and special events
- Mentored and trained new associates

Education:

Wright State University

May 2020

Bachelor of Science

Concentration: Mechanical Engineering
